Cr-1968-196

Dear Mr. Brinson:

Enclosed please find voucher form CJA 20, in regard to the above listed criminal matter, which you requested.

Please be advised that the rates for assigned counsel before February 11, 1971 were:

¹⁵\$20 an hour for In Court appearances, and ¹⁰\$15 an hour for Out of Court time.

For any time after February 11, 1971, you may use the new rates of:

\$30 an hour for In Court appearances, and \$20 an hour for Out of Court time.

Also, if the total amount of the voucher is over \$250, Judge Curtin requires that the attorney prepare a statement which sets forth his service in greater detail. We have enclosed a copy of a statement filed in another case for your guidance, and also a schedule showing the new rates.

Please complete the section of the voucher pertaining to services and expenses, and sign the completed form.

Very truly yours,

Alice Manning, Deputy Clerk
